Dear [Dr./Mr./Ms. Last Name],

I am writing to express my strong interest in the Biomedical Research Assistant position at [Institution Name], as advertised in [where you saw the posting]. With a [Degree Name] in [Major/Field] from [University] and hands-on experience in [Core Technical Skill, e.g., Molecular Biology/Cell Culture], I am eager to contribute to your research team's work on [Specific Research Area/Project Name].

During my previous experience at [Previous Lab or Internship], I developed a robust foundation in laboratory protocols and data analysis. I am proficient in [List 3-4 Specific Techniques, e.g., PCR, ELISA, Western Blotting, CRISPR, or Flow Cytometry]. Furthermore, I am skilled in maintaining meticulous lab records and ensuring compliance with [Relevant Safety/Regulatory Standards, e.g., BSL-2 or HIPAA] protocols.

I am particularly drawn to [Institution Name] because of your recent findings regarding [Specific Paper or Research Topic]. My background in [Specific Skill or Subject Knowledge] aligns with the objectives of your current study, and I am confident in my ability to provide high-quality technical support while managing complex experimental timelines.

I would welcome the opportunity to discuss how my technical skills and dedication to scientific inquiry can support your laboratory's goals. Thank you for your time and consideration.

Sincerely,
