Dear [Mr./Ms./Mx. Surname],

I am writing to express my strong interest in the Junior Equity Research Analyst position at [Firm Name], specifically focusing on the [Sector Name, e.g., Technology/Healthcare] coverage group. As a [Recent Graduate/Professional] with a background in [Your Major/Field] and a deep passion for financial modeling and bottom-up fundamental analysis, I am eager to contribute to your team's investment insights.

During my [Internship/Previous Role] at [Previous Company], I developed a robust foundation in three-statement financial modeling and valuation methodologies, including DCF and comparable company analysis. I successfully [mention a specific achievement, e.g., initiated coverage on a mid-cap stock or assisted in a 50-page initiation report], which honed my ability to synthesize complex data into actionable investment recommendations. My technical proficiency in [Bloomberg Terminal/Excel/Python] allows me to efficiently process market trends and proprietary data.

What attracts me most to [Firm Name] is your reputation for [mention a specific firm strength, e.g., contrarian viewpoints or rigorous qualitative due diligence]. I am particularly impressed by your recent research regarding [mention a specific recent report or sector trend]. I am confident that my analytical rigor, attention to detail, and commitment to the 24/7 nature of the capital markets will make me a valuable asset to your research franchise.

Thank you for your time and consideration. I look forward to the possibility of discussing how my skills in financial analysis and industry research can support the [Sector Name] team at [Firm Name].

Sincerely,

[Your Name]
