RE: APPLICATION FOR MASTER OF ARCHITECTURE PROGRAM - [YEAR]

Dear Members of the Admissions Committee,

[Introduction: State your specific intent to apply for the Master of Architecture program. Briefly mention your academic background and the core philosophy or architectural interest that drives your pursuit of graduate studies at this specific institution.]

[Academic & Professional Background: Describe your undergraduate training and any relevant professional experience. Highlight specific projects, technical proficiencies, or research initiatives that have prepared you for the rigors of a professional M.Arch curriculum.]

[Design Philosophy & Research Interests: Discuss the theoretical or practical themes you wish to explore, such as sustainability, urbanism, digital fabrication, or social equity. Connect these interests to the specific resources, faculty, or labs available at the university.]

[Conclusion: Summarize why you are a strong fit for the program's culture and how this degree aligns with your long-term goals as a registered architect. Express your enthusiasm for the opportunity to contribute to the studio environment.]

Sincerely,

[Your Printed Name]
