Dear [Hiring Manager Name or "Pharmacy Director"],

I am writing to express my strong interest in the Sterile Processing Pharmacy Technician position at [Facility Name], as advertised on [Platform]. With a solid background in [Number] years of aseptic compounding and a deep commitment to patient safety, I am eager to contribute my technical expertise to your pharmacy team.

In my previous role at [Previous Employer], I specialized in the sterile preparation of IV medications, TPNs, and hazardous drugs in accordance with USP <797> and USP <800> standards. I am highly proficient in maintaining cleanroom environments, performing rigorous equipment sterilization, and ensuring all documentation meets strict regulatory requirements. My attention to detail ensures that every product is prepared with the highest level of accuracy and sterility.

I am particularly drawn to [Facility Name] because of your reputation for [mention a specific hospital achievement or value]. I hold my [CPhT or CSPT] certification and stay current on the evolving protocols of sterile compounding and infection control to ensure the highest quality of care for your patients.

I look forward to the opportunity to discuss how my experience in sterile processing and pharmacy operations can benefit your department. Thank you for your time and consideration.

Sincerely,
