Dear [Hiring Manager Name/Hiring Committee],

Re: [Job Title / Reference Number]

I am writing to express my interest in the [Job Title] position at [Company Name]. With a strong background in mechanical engineering and [Number] years of experience in high-volume automotive manufacturing environments, I am eager to contribute to your production excellence and engineering innovation.

In my previous role at [Current/Previous Employer], I specialized in [Specific area e.g., Powertrain Assembly, Robotic Welding, or Chassis Design]. My key achievements include:

- Implementing [Specific Process/Technology] which resulted in a [Percentage]% increase in production efficiency.
- Leading a cross-functional team to reduce [Issue e.g., cycle time or scrap rate] by [Amount].
- Ensuring 100% compliance with [Specific Standards e.g., IATF 16949 or ISO 9001] quality management systems.
- Optimizing CNC programming and PLC logic for automated assembly lines.

I am particularly drawn to [Company Name] because of your recent advancements in [Specific Project/Vehicle Model/EV Technology]. My technical proficiency in CAD/CAM software, Lean Manufacturing principles, and Root Cause Analysis aligns perfectly with the requirements of your engineering team.

I am eager to bring my technical expertise and problem-solving skills to [Company Name]. Thank you for your time and consideration. I look forward to the possibility of discussing how my experience can support your manufacturing goals.

Sincerely,

[Your Signature (if sending by mail)]
